Town Hall Meeting On Agriculture

Hosted by Senator David G. Argall

At the request of several local farmers, I have scheduled a 'Town Hall meeting on Agriculture' to obtain your ideas regarding the future of agriculture in our region. State Senator Michael Brubaker, Chairman of the Senate Agriculture Committee, will be my special guest.

The event is designed to listen to your concerns and answer your questions on how we can work together to improve agricultural conditions throughout our region. As a local State Senator and the husband of a farm employee who has worked in agriculture for her entire life, I look forward to hearing from you.

If there are specific, detailed issues which you would like us to address, please feel free to contact us in advance of the meeting so that we can "do our homework" prior to September 8. Already on our agenda for discussion: PennDOT transportation issues, dairy pricing, and agriculture funding.

I hope you can attend this worthwhile event. Please respond by contacting my Hamburg District Office at (610) 562-3411, prior to September 6, if possible, to help us in preparing for this important session.

If you are unable to attend, I encourage you to contact me, at your convenience, to share your thoughts on any state issue.

Sincerely,

A handwritten signature in blue ink that reads "Dave Argall".
